The product packaging for the Fare 10853 Thermostat Box is shown against a white background. The packaging is a white rectangular box with an orange border. In the top left corner, the 'FARE AUTOMOTIVE' logo is displayed, featuring the word 'FARE' in a large, bold, italicized font and 'AUTOMOTIVE' in a smaller, all-caps font below it. In the top right corner, the words 'Quality Symbol' are written in a cursive, italicized font. The central image on the box is a grayscale photograph of the thermostat box itself, which is a metal component with various ports and a central valve. The entire box has rounded corners and a clean, professional look.
