The image shows the product packaging for the Fare 3594 cooling tank. The packaging is orange with a white border. At the top left, it says "FARE AUTOMOTIVE". At the top right, it says "Quality Symbol" with a checkered background. In the center, there is a large image of the black plastic cooling tank, which has four circular ports with the Fare logo on them. Below the main image is a smaller, separate image of a black plastic cap or fitting.
